IDShield

Identity theft is repeatedly the #1 consumer complaint category in America. Identity theft manifests itself in many different ways:

- Credit fraud
- Driver's License fraud
- Criminal/Character fraud
- Social Security fraud
- Medical fraud

Victims often face issues such as:

- Problems securing a loan
- Harassment from debt collectors
- Possible arrest for crimes committed by the identity thief

Our plans not only provide expert consultation on how to prevent identity theft but also provide comprehensive restoration of your identity should a breach occur.

Monitor More of What Matters

We monitor your identity from every angle, not just your Social Security number, credit cards and bank accounts. We ensure everything connected to you is safe, even your social media accounts. If any change in your status occurs, you receive an email update immediately. Individual and family rates are available. Family rates cover you, your spouse and up to 8 minor dependents.

Counsel When You Need It

Our identity theft specialists are focused on protecting you. They are available to provide you with a complete picture of identity theft, walk you through all the steps you can take to protect yourself and answer any questions. Plus, they are available 24 hours a day, every day, in the event of an identity theft emergency. We're always here to help, no matter what.

Restore Your Identity Completely

IDShield is the only company with an exclusive partnership with Kroll, the worldwide leader in theft investigative services. If a compromise occurs, your licensed private investigator contacts you immediately and begins restoring your identity to exactly the way it was.

\$5 MILLION SERVICE GUARANTEE

IDShield is the best way to protect your identity, guaranteed. If you become a victim of identity theft, we spend up to \$5 million to do whatever it takes, for as long as it takes, to restore your identity.
