DISCLAIMER: This Supporting Framework Plan is a part of that certain Development Agreement between the Developer and the City of New Braunfels dated _____, provided that this Supporting Framework Plan may be amended in accordance with the Development Agreement without amending the Development Agreement. This Supporting Framework Plan demonstrates one example of the possible future development of the Project. It remains subject to change to accommodate the Developer's marketing objectives and comply with applicable laws. The roadway alignments, land uses and other items depicted on this Supporting Framework Plan are general depictions only and should not be relied upon.
