The following policies are in effect for Temporary Vending Operations in the city of New Braunfels, per Section 5.23, Chapter 144, Zoning, New Braunfels Code of Ordinances:

5.23 Temporary Vending Operations

- 1) **Applicability.** The following rules for Temporary Vending Operations do not alleviate such operations or uses from also adhering to other applicable municipal or state rules and regulations.

On improved property, a Temporary Vending Operation may operate as long as a permit is issued. Temporary Vending Operations are permitted in all non-residential districts. Anyone wishing to peddle, solicit, or vend from private property may do so as long as all applicable codes and ordinances of the City are met, and a Temporary Vending Operation Permit is issued by the City. There can be no such activity on vacant, unimproved property.

No permanent or temporary foundation may be placed or constructed for a Temporary Vending Operation. All structures (including but not limited to booths, vehicles, trailers and any ancillary equipment and furnishings such as generators, tables and decks) employed for Temporary Vending Operations must be removed from the subject property at the end of the permitted period.

- 2) **Permit and Fee.** An application processing fee per Appendix D of the New Braunfels Code of Ordinances is required for each Temporary Vending Operation permit application. No fee is required for applications with non-profit status. Proof of tax-exemption from the IRS is required.

Temporary Vending Operation Permits are not transferable. A permit at any location is valid for one Temporary Vending Operation regardless of any sale, lease, name change or any ownership transfer of the Temporary Vending Operation.

- 3) **Merchandise.** All merchandise offered for sale must be consistent with the Zoning Ordinance.
- 4) **Temporary Vending Operation.** For purposes of this ordinance, a Temporary Vending Operation shall be considered any individual, business, company, firm, association or organization conducting business pursuant to this ordinance.
- 5) **Time.** The permit is valid for a period not to exceed:
 - 8 months in the same location for food vendors;
 - 6 months in the same location for all other vendors.

After the permit has expired, the Temporary Vending Operation shall leave the property, parcel, lot or address where the vending has occurred for a minimum of 30 consecutive days after which time the Temporary Vending Operation may return to the same location. Temporary Vending Operations exceeding the term of the permit shall void the temporary status; such operations shall comply with all permanent structure regulations.

- 6) **Parking.**
 - (a) Required parking allocated for the patronage of the primary, permanent host business shall not be utilized for set up or parking of the Temporary Vending Operation. Additional parking spaces must be available from the primary business.
 - (b) All vehicles (motorized or non-motorized), trailers, tents, structures, etc. associated with the Temporary Vending Operation, including those from which vending occurs, must be located within the parking lot.

- (c) One space is required per Temporary Vending Operation except within the Area Exempt from Required Parking Spaces (as shown in Figure 3, Sec. 5.1 Parking, Loading, Stacking and Vehicular Circulation).
- (d) No seating may be provided for Temporary Vending Operations unless the property has parking spaces in excess of the minimum requirement. In such cases, 1 parking space shall be required per 4 seats for patron use.
- 7) **Location.** All vending activities must occur on private property. No activity, parking, or signage may be located on public property or street right-of-way or within 25 feet of a street intersection, as measured at the right-of-way line, as to create a visual distraction. Anyone wishing to sell, take orders for immediate or future delivery, collect money or property, or attempt to do any of the foregoing, in exchange for a good or service, is prohibited from peddling, soliciting, or vending or advertising from any public street or park in the City of New Braunfels. This provision does not apply to mobile catering/mobile vending as regulated in the Code of Ordinances.
- 8) **Refuse.** A sufficient quantity of garbage receptacles shall be provided and maintained so that permitted sites are kept clean of all debris, trash, and litter at all times.
- 9) **Noises.** No Temporary Vending Operation shall use a sound device, including a bell, horn, voice (amplified or not) to attract attention.
- 10) **Codes and Ordinances.** The existing property and uses must be and remain in compliance with all applicable codes and ordinances. The accessory use of the Temporary Vending Operation will be in compliance with all applicable codes and ordinances (e.g. Temporary Vending Operation will meet zoning requirements, fire codes, health codes, etc.). Building setbacks do not apply to Temporary Vending Operations except that sight distance triangles shall be maintained.
- 11) **Restroom Facilities.** Restrooms shall be provided in compliance with all applicable, current health codes. No portable restrooms may be used except as permitted under subsection 5.23.18 (*Special Events*).
- 12) **Utilities.** No permanent water, sewer, electric, fuel, or phone facilities may be connected to the vending operation. Connections must have a quick disconnect. Any use of extension cords must be no longer than a maximum of 50 feet, including multiple cords. A maximum of 2 cords may be utilized. Extension cords crossing areas of traffic (vehicular, pedestrian, etc.) must be encased in a cable protector rated for the specific traffic. Documentation of this rating must be provided.
- 13) **Maximum Number of Vendors.** An existing non-residential property may have a maximum number of two permitted Temporary Vending Operations at any one time.
- 14) **Temporary Food Vendor Operations.** Temporary establishments that provide food services and must be registered and inspected by the City Health Division. For purposes of this section, Food Vendor shall be defined as "Restaurant" under Chapter 62, Section 81, Definitions.
- 15) **Storage of Inventory.** All storage must be within a building or container.
- 16) **Signage.** All temporary vending operations must comply with Chapter 106, Signs. Sandwich boards, banners attached to a building or vending structure, and pennants are allowed. No banners may be utilized which stand independently utilizing stakes, t-posts, or otherwise attached to the ground.
- 17) **Provision of Recreational Activities.** No recreational activities may be permitted through the Temporary Vending Operation ordinance.
- 18) **Application Procedures.** An application shall be submitted to the Planning Division for review and decision. All Temporary Vending Operations providing food or drink services shall also submit an application to the Health Division.
